

## THE NUTRI PLUS BRAND

Nutri Plus use the purest raw ingredients from the finest sources, providing pharmaceutical grade supplements that are made to the highest standard.

Names have been collected through direct mail campaigns, catalogue inserts and product despatch inserts as well as into specialist titles.

In addition to health, wellbeing and beauty, this list of multi-buyers is particularly interested in mobility products, financial services, home and garden and general mail order.

# NUTRI PLUS

Nutri Plus offers high quality natural nutritional supplements, vitamins, minerals and pain relievers ([www.nutriplusdirect.com](http://www.nutriplusdirect.com)).
