

THE SELECT HEALTHY BRAND

Founded in 2007, Select Healthy offers superior quality but affordable vitamins and supplements direct to the consumer.

Customers are recruited via direct mail and the company website. There is a high percentage of repeat purchase; Select Healthy has a good relationship with its customers, offering a no quibble guarantee.

This programme works well for mobility clients, general mail order, charities and other grey market advertisers.

SELECT HEALTHY

Select sells vitamins, minerals and health products via a catalogue and website (www.selecthealthy.com).
