

Snowden Healthcare www.snowdenhealthcare.co.uk is one of the UK's leading providers of natural health products offering over 25 year's experience in pain management solutions.

Snowden Healthcare develops, produces and supplies natural, drug-free health products for pain, joints, incontinence, memory, weight and women's health.

The company is well-known for its Medicur unit, taken up by the NHS to relieve joint pain but also available via **Snowden Healthcare**. Mailings of Medicur buyers have recently become available for third party inserts. Customers are recruited via direct mail and online. This programme is ideal for general grey market mail order, travel and finance companies.
